May 11-14, 2006

Interzoo is the largest Pet Products trade show in the world (see www.interzoo.com). There were over 1,100 exhibitors from 45 countries and more than 31,000 visitors, almost half from outside Germany, in 2004. Our American Product Center is located within the U.S. Pavilion, which alone has over 50 exhibitors, so you will benefit from the flow of visitors to these booths.

For \$750, U.S. Department of Commerce Staff will:

- 1. Display your literature/samples on your own individual shelf with your company name attached to that shelf***
- 2. Register trade visitors expressing interest in your company and forward these names to you after the show***
